EST. **MARIANAS** 2021

Inspire Marianas is a 501(c)4 non-profit organization that's on a mission to inspire the People of the Marianas to connect, create, share, and grow together, one project at a time.

ABOUT THE PROGRAM

The Neni Market™ inspires a new generation of EntrepreneNENI's through creativity, innovation, and hard work. Participants will take part in **four (4) entrepreneurial workshops** led by our team and business mentors from the community, where they will learn:

- The basics of running a business
- How to brand and market their ideas
- How to connect with customers
- And ultimately launch their own small business at a real market

The program culminates in **The Neni Market: Made with Ma'åse** — a vibrant pop-up marketplace where our EntrepreneNENI's share their creations with the community.

"It was amazing to see Giuliana fulfill her passion through Luli's Art at the Neni Market last year. She shared her drawings, gained confidence, and learned so much about entrepreneurship. I'd highly recommend this program to any parent who wants to see their child's creativity and drive shine!"

-Michele C. Perez (Parent of Former Participant)

To Whom It May Concern,

Inspire Marianas proudly returns for Cycle 3 of The Neni Market™ — an entrepreneurial program for youth (ages 7–12), paired with a one-day pop-up event.

With gratitude at the center, Made with Ma'åse celebrates the creativity and hard work of our young "EntrepreNENI's." Over our first two cycles, 48 kids completed the program and launched their very first businesses — an achievement made possible through community and sponsor support.

This year, participants will take part in four workshops led by mentors and our team, learning the basics of business before showcasing their creations at The Neni Market: Made with Ma'åse on Saturday, Nov. 22, 2025 at the Village of Donki.

We invite you to partner with us in inspiring Guam's next generation of entrepreneurs. Your support helps us provide resources, mentorship, and an unforgettable learning experience for our island's youth.

Kindly review our sponsorship opportunities below, and let's build this cycle together with Ma'åse.
